

ESSA-Scholarships

Thanks to the European Social Simulation Association (ESSA) there are
5 Travel & Accomodation Scholarships

If you are a European student and would like to attend the WCSS2010, here's the opportunity to apply for one of five scholarships!

What do you need to do in order to apply for one of those scholarships?

Please send us a short text (info@wcss2010.org) with your name, address, your subject of study, name of your university, your student ID via fax (+49 561 804-3176), and a copy of your already submitted contribution for WCSS2010.

The program committee will decide about the approval of the grants, based on the quality of the submissions.
