

So far, we have planned 3 excursions that will all take place on Wednesday late afternoon (6 - 8 pm).

Because the price depends on the total number of persons participating, please register by sending us an email with the

name of the excursion.

Only one excursion can be booked per person, because they all take place at the same time.

Tickets can then be purchased at the registration desk; **cash only**.

No. 1 - Guided Kassel Tour

The tour will start at the city museum and will continue walking through the city centre, focussing on the city's almost 1100 years history and it's role in world history.

Expected cost per person: 10-15€

No. 2 - Guided Bergpark Tour

Wilhelmshöhe Palace is surrounded by the Bergpark Wilhelmshöhe, Europe's largest mountain Park. It is partly baroque, partly English landscape garden and inherits the Ornamental Water Displays.

Expected cost per person: 10-15€

No. 3 - Hütt Brewery

The Hütt Brewery ("Brauhaus Knallhütte") was first established in 1752. There will be an English and a German guided tour around the Brewery (revealing the secret why without the Brewery Knallhütte, there wouldn't be Cinderella or Sleeping Beauty) and a beer tasting afterwards.

Expected cost per person: 25-30€
