

3rd World Congress on Social Simulation

WCSS 2010

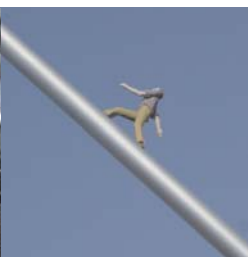

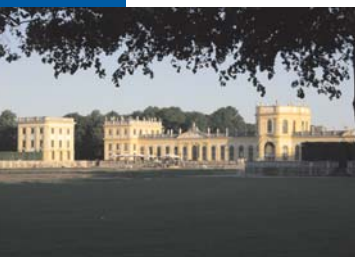

September 6-9, 2010 • University of Kassel • Germany

The 3rd World Congress on Social Simulation will take place on September 6-9, 2010 at Kassel University, hosted by the Center for Environmental Systems Research (CESR) in Kassel, Germany.

The WCSS series is a joint collaboration of the regional international professional organizations:

- the European Social Simulation Association – ESSA;
- the Computational Social Science Society – CSSS;
- the Pacific Asia Association for Agent Based Social Systems Science – PAAA

Our center, students, and staff all look forward to welcoming you in Kassel next September
